Regarding the Filing of a Trademark Infringement Lawsuit in China

PILLAR Corporation (President: Yoshinobu Iwanami, Headquarters: Osaka, Japan) has filed a trademark infringement lawsuit in China, as detailed below, and we are pleased to announce that it has been accepted.

1. Date of Filing:

September 25, 2024

2. Date of Acceptance:

November 8, 2024

3. Cause of the Lawsuit:

PILLAR Corporation has filed a trademark infringement lawsuit in the Wujiang District People's Court in Suzhou, Jiangsu Province, China. The suit was filed against a company that has been illegally manufacturing and selling fluoro-resin products bearing our trademark in China, which infringes on the trademark rights owned by PILLAR Corporation in China.

4. Defendant:

Name: PFUA Technology (Jiangsu) Co., Ltd. (Formerly: Pi La Semiconductor Technology (Suzhou) Co., Ltd.)

Address: Kaiping Business Center, Block A, No. 11666 Dongtai Lake Avenue, Dongtai Lake Ecological Tourism Resort (Taihu New City), Wujiang District, Suzhou City

5. Future Outlook:

At this time, there is no impact on PILLAR Corporation's financial performance.
